

Dear Honorable Terry A. Daughtry,

RECEIVED  
IN MONROE, LA.

OCT 26 2023

Why did the FBI know how much money ~~was~~ in my bank account, why did a special agent apologize after I found I was under surveillance, why did they then take my clearances after discovering potential overreach regarding vaccine-related entities and whistleblowing on the effects such as loss of accounts, career, and clearances?

In my opinion the results are devastating.

I sincerely apologize for taking so much of your time, if I have misunderstood the nature of this issue despite links to censorship and reprimand of Conservative, Catholic, and Free Speech which may stretch back to [REDACTED] before 2020.

If there is intervention by the courts and/or reconsideration, you may now consider us "en pauperis."

Thank you again,

Jon F. Turpin

If nothing else, please hand all I've compiled to RFK Jr. & Sekulow.  
You may find that my estimates are valid and negate the estimates evaluated against Trump.  
Included are remaining exhibits.

In my opinion, our circumstances prove, beyond any reasonable doubt, Robert F. Kennedy, Jr.'s case... what would the effects of improperly joining the Ascension Health networks, including Wisconsin, have been in regards to COVID, Conservatives, Free Speech, and even R.F.K. & R.S. Presidential bid?  
Irreparably Devastating.
